

THE SCOTCH MALT WHISKY SOCIETY

CASK No. 54.63  
2000: AND SOME FACE ODYSSEY

REGION: Speyside  
COUNTRY: Scotland  
AGE: 17 Years  
DATE DESTILLED: 10th February 2000  
CASK TYPE: Second Fill Ex-Bourbon Barrel  
OUTTURN: 210 Bottles  
ABV: 54,2 %

DESCRIPTION

We found the nose shy at first but with time it reveals white fruits, meadow flowers, butter biscuits, oatmeal, sauvignon blanc, green peppercorns and red fruit teas. Some ginger marmalade and a drop of pear liqueur as well. Water gave us lime zest, kumquats, Brylcream, damp dunnage warehouse and buttered toast. Some lime chewits and cider vinegar in the background. The palate was lively with strawberry meringue dusted with icing sugar, ginger biscuits, starfruit, mint tea, greengages and hessian. Reduction brought out buttered croissant, fresh bread, sunflower oil, white fruits, limeade and synthetic cherries.

CASK No. 85.51  
ELBOW GREASE AND BATH SALT

THE SCOTCH MALT WHISKY SOCIETY

REGION: Speyside  
COUNTRY: Scotland  
AGE: 12 Years  
DATE DESTILLED: 1st June 2006  
CASK TYPE: Refill Ex-Bourbon Hogshead  
OUTTURN: 278 Bottles  
ABV: 55,6 %

DESCRIPTION

A curious nose at first, full of crushed chalk, baking soda, aspirin and carbon paper. A mineralic profile with cut grass, wood glue, fruit-studded Wensleydale cheese, tree bark, white some fruits and green jelly babies. With water it moves towards shredded wheat and dry cereals with brown sugar, rum agricole, olive oil, crushed hazelnuts, lemon peel and shoe polish. The mouth is all hay bails, nettle tea and honey-infused porridge at first. An old steamie with plenty of damp sackcloth, camphor and old mead. There's also a soft waxiness and a few bay leaves. With water there's lanolin, tinned fruit salads, percy pig sweeties, pine resin and diluted paraffin.
